Sir:

In accordance with the continuing duty under 37 C.F.R. §1.56 to disclose to the United States Patent and Trademark Office any information that may be material to patentability of the above-identified invention, Applicant hereby submits an *Information Disclosure Statement* listing references presently known to Applicant relating to the above-identified application. Copies of the non-U.S. patent references are also included. The submission of this information shall not be deemed an admission that this information is necessarily material to the patentability of the above-identified application.

No fee is believed to be payable in connection with the filing of this *Information Disclosure Statement* as it is submitted prior to a *First Office Action*. Nonetheless, if a fee is required for entrance of this art, authorization to charge such fees due to deposit account 20-1507 is hereby given.

Respectfully submitted,

Ryan A. Schneider
